C. DISCUSSION

- 1. Report on the Progress of the EMSA EMS Safety WMD Training Committee**

This report provides summary information on the recommendations made by members of the EMS Safety WMD Training Committee on the recommendations for minimum personal protective equipment for private and public EMS providers.

- 2. Report From State of California Emergency Medical Services Authority**

This report provides summary information on the current issues and information from the EMS Authority.

- 3. Report on the Progress of the EMSA EMT-II Taskforce**

This report provides summary information and an opportunity for discussion regarding the EMT-II Taskforce.

- 4. Bridging EMS Issues with National Association of EMS Educators (NAEMSE)**

This report provides summary information on the National Association of EMS Educators “Call for Action.” Based upon the State of EMS Educational Research Project (Ruple, 2005), NAEMSE is seeking support on various issues. This discussion is designed to fetter out membership interest in focusing on any one or more issues that have been addressed in this study.

- 5. California Council of EMS Educators as Accreditation Body**

This item explores membership interest in developing accreditation standards that exceed or enhance local program approval guidelines. There is increasing national and state interest in improving the quality of career education; and development of enhanced standards only seek to improve the management, education, and the candidates of EMT certification.
